**Re: Required Submission of Information
Peck Iron and Metal Removal Site
Portsmouth, Virginia**

Dear Mr. Cherkasky:

The U.S. Environmental Protection Agency ("EPA") is seeking information concerning a release, or threat of release, of hazardous substances, pollutants or contaminants into the environment at the Peck Iron and Metal Site (hereinafter the "Site" or the "Facility"), as well as information relating to the Peck Iron and Metal Company, The Peck Company, Inc., the Peck-Portsmouth Recycling Company, Inc., the ELM Leasing Company, Inc., and the JSP Land Company, Inc.'s (collectively "the Peck Companies") ability to pay for or perform a cleanup at the above-referenced Facility.

Pursuant to the authority of Section 104(e) of the Comprehensive Environmental Response, Compensation and Liability Act of 1980, as amended ("CERCLA"), 42 U.S.C. Section 9604(e), EPA has the authority to require the Marsh & McLennan Companies, Inc. (hereinafter "you") to furnish all information and documents in your possession, custody or control, or in the possession, custody or control of any of your employees or agents, which concern, refer, or relate to hazardous substances as defined by Section 101(14) of CERCLA, 42 U.S.C. Section 9601(14), pollutants and/or contaminants as defined by Section 101(33), 42 U.S.C. Section 9601(33), as well as those insurance documents for determining Peck Iron and Metal Company, the Peck Company, Inc., Peck-Portsmouth Recycling Company, Inc., ELM Leasing Company, Inc., and JSP Land Company, Inc.'s ability to pay for or perform a cleanup at the above-referenced Facility.

Section 104 of CERCLA authorizes EPA to pursue penalties for failure to comply with that section or for failure to respond adequately to required submissions of information. In addition, providing false, fictitious, or fraudulent statements or representations may subject you to criminal penalties under 18 U.S.C. Section 1001. The information you provide may be used by EPA in administrative, civil, or criminal proceedings.

Instructions for responding to this required submission of information are provided below.

INSTRUCTIONS

1. You are entitled to assert a claim of business confidentiality covering any part or all of the information you submit. If you desire to assert a claim of business confidentiality, please see Enclosure 1, *Business Confidentiality Claims/Disclosure to EPA Contractors & Grantees of Your Response*. You must clearly mark such information by either stamping or using any other form of notice that such information is trade secret, proprietary, or company confidential. To best ensure that your intent is clear, we recommend that you mark as confidential each page containing such claimed information.
2. Please provide a separate, detailed narrative response to each question, and to each subpart of a question, set forth in this Information Request. If you fail to provide a detailed response, EPA may deem your response to be insufficient and thus a failure to comply with this Information Request, which may subject you to penalties.
3. Precede each response with the number of the question or subpart of the question to which it corresponds. For each document or group of documents produced in response to this Information Request, indicate the number of the specific question(s) or subpart of the question to which it responds.
4. Should you find at any time after submission of your response that any portion of the submitted information is false, misrepresents the truth or is incomplete, you must notify EPA of this fact and provide EPA with a corrected written response.
5. Any terms that are used in this Information Request and/or its Enclosures that are defined in CERCLA shall have the meaning set forth in CERCLA. Definitions of several such terms are set forth in Enclosure 2, *Definitions*, for your convenience. Also, several additional terms not defined in CERCLA are defined in Enclosure 2. Those terms shall have the meaning set forth in Enclosure 2 any time such terms are used in this Information Request and/or its Enclosures.

 - b. The issuer and type of policy and policy numbers;
 - c. The per occurrence policy limits of each policy; and

4. Identify all insurance brokers or agents who placed insurance for the Peck Companies at any time during the period being investigated as identified in Question 1 and identify the time period during which such broker or agent acted in this regard.
5. Identify all communications and provide all documents that evidence, refer, or relate to claims made by any of the Peck Companies or on behalf of these parties under any insurance policy in connection with the Site. Include any responses from the insurer with respect to any claims.
6. Identify any previous settlements with any insurer in connection with the Site, or for any claims for environmental liabilities during the time period in question. Include any policies surrendered or cancelled by the insurer.

If you have reason to believe that there may be persons able to provide more detailed or complete responses to any question contained herein or who may be able to provide additional responsive documents, provide the names, titles, areas of responsibility, current addresses, and telephone numbers of such persons and describe the additional information or documents they may have.
12. For each and every question contained herein, if information or documents responsive to this Information Request are not in your possession, custody or control, then provide the names, titles, areas of responsibility, current addresses and telephone numbers of the persons from whom such information or documents may be obtained.
13. If you have any information about other parties who may have information which may assist the Agency in its investigation of the Site or who may be responsible for the generation of, transportation to or release of contamination at the Site, please provide such information. The information you provide in response to this request should include each party's name, address, type of business and the reasons why you believe the party may have contributed to the contamination at the Site or may have information regarding the Site.
14. For each policy, provide all underwriting files, claim files, loss control files, and premium audits, as well as any accounting records including retrospective rating adjustments, for each such policy.
15. Include the name, address, and telephone number of each insurance broker or agent, whom you identified in response to Question 4 above, as well as the name and current whereabouts, if known, of individuals at the agency or brokerage firm with whom you communicated and the nature of the communication. If you believe that no agency or brokerage firm was used to buy casualty and/or liability and environmental insurance, provide an explanation of how the insurance was purchased.
16. Provide any and all correspondence with either B. David Peck or Aaron Peck with respect to coverages, environmental liabilities, or claims, relating to the Peck Site.

Information subject to a claim of business confidentiality will be made available to the public only in accordance with the procedures set forth in 40 C.F.R. Part 2, Subpart B. If a claim of business confidentiality is not asserted when the information is submitted to EPA, EPA may make this information available to the public without further notice to you. EPA may contract with one or more independent contracting firms (See Enclosure 3) to review the documentation, including documents which you claim are confidential business information ("CBI"), which you submit in response to this information request, depending on available agency resources. Additionally, EPA may provide access to this information to (an) individual(s) working under (a) cooperative agreement(s) under the Senior Environmental Employment Program (SEE Enrollees). Section 2.310(h), EPA may share such CBI with EPA's authorized representatives which include contractors and cooperators under the Environmental Programs Assistance Act of 1984. (See 58 Fed.Reg. 7187 (1993)).
